

HC21 Awarded 2011 Value-Based Purchasing Award

HC21 was recently presented with the *Value-Based Purchasing Membership Award* by National Business Coalition on Health. HC21 was recognized for leadership and efforts to improve the quality and efficiency of the health care delivery system, control health care expenditures at the community level and improve the health of employees.

"We are honored to highlight the efforts of HC21 as a NBCH member coalition for implementing successful value-based purchasing strategies in the communities it serves," said Andrew Webber, NBCH President and CEO.

"HC21 has been a catalyst for health improvement in Tennessee by innovating and implementing strategies and methodologies necessary in the emerging health benefits market," said Jerry Burgess, HC21 President and CEO. "Our strategy is to assemble all health care stakeholders to improve the purchase of health benefits; to advance the quality of health care delivery improving the system; and ultimately the health of the community. We thank NBCH for recognizing our efforts and greatly appreciate this honor."
